

Mobile Deposit

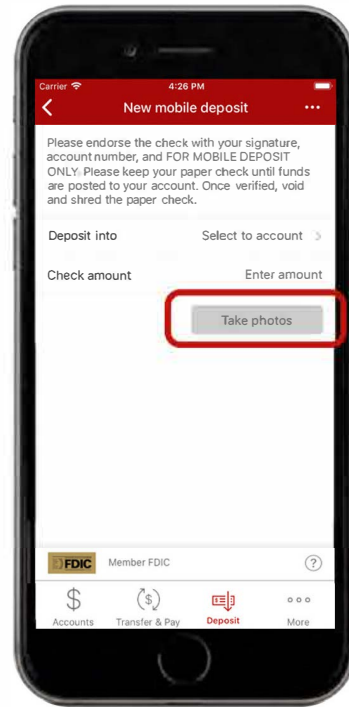

Deposit checks using the Dundee Bank Mobile App.

Getting started with mobile deposit

After logging in, tap the "Deposit" button in the menu at the bottom of the screen. Select "Deposit a check" from the deposit screen.

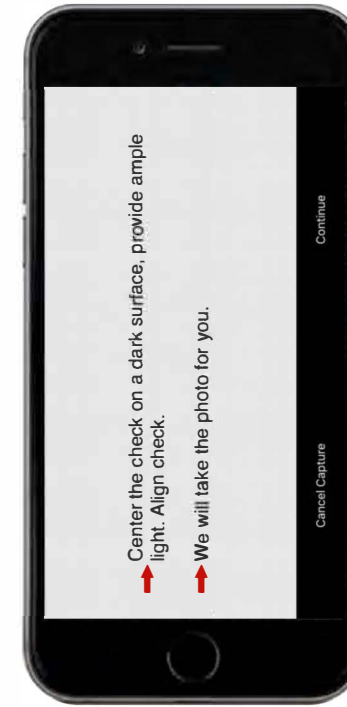

Mobile deposits have a per item limit of \$2,500 and a daily limit of \$5,000.

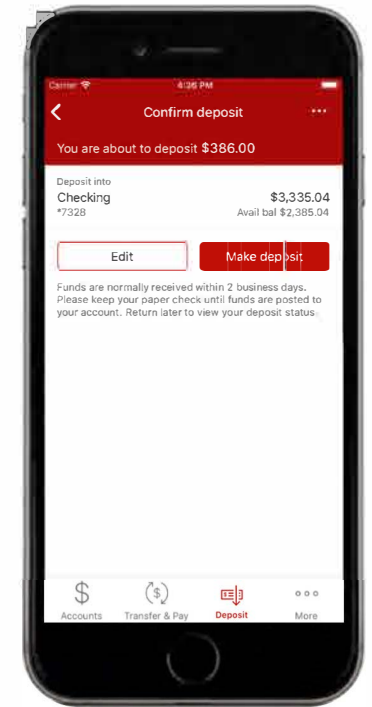

To begin, endorse the back of the check with your signature, account number, and **FOR MOBILE DEPOSIT ONLY**. Choose your deposit account and enter the check amount. Select "Take photos" to proceed.

Take a photo of the front and back of your check following the on screen instructions.

If you need assistance taking your photos, tap the question mark icon in the top right of your screen. This button will prompt you with instructions to get the best results for the images. The photo will be taken for you.

After taking the photos, tap the "Make deposit" button. This will confirm the check amount and the correct deposit account. You will be notified once the deposit has been accepted.

Your deposit will be available the next business day.
